Make check payable to Guggenheim Investments.

Check this box if you are funding this account with a transfer of shares from an existing Guggenheim account. If checked you may skip Section 3.

Share classes cannot be commingled within an account. *If no share class selection is made, the investment will be made into Investor/H-Class shares.* Please specify one:

A-Class* C-Class* Investor/H-Class H-Class* Institutional Class**

A-Class (Load Waived)* Reason: _____ See fund prospectus for more information.

* This share class requires a financial professional. Single direct purchases of C-Class shares of a fund in an amount of \$1 million or more will be placed into A-Class shares of that fund.

**Institutional class shares not available for all funds. We may need to contact you for additional information.

Guggenheim can accept personal checks, Automated Clearing House (ACH) purchases, Electronic Funds Transfer (EFT) purchases, and Fed Wire purchases. All forms of payment must be in U.S. currency and drawn on a U.S. bank. **We do not accept cash or cash equivalents (such as traveler's checks or money orders), checks drawn on a line of credit, starter checks, or credit card convenience checks. We generally do not accept third-party checks.**

Indicate the dollar amount or percentage of total investment next to the fund name. *If no fund selection is made, the investment will be credited to U.S. Government Money Market.*

Use the allocation below for the initial purchase only.

Use the allocation below for the initial purchase and all future purchases until I provide notice otherwise.

If no selection is made, the allocation below will apply for this purchase only.

Fund Name	Allocation
_____	\$ _____ OR _____ %
_____	\$ _____ OR _____ %
_____	\$ _____ OR _____ %

TOTAL INVESTMENT: \$ _____

ACH Purchase: By checking this box, I am requesting to have Guggenheim debit my bank account (described in Section 6) to make my initial purchase described above. I understand that Guggenheim may charge a \$25 fee if the transaction is declined by my bank and that I will not be entitled to benefit from any increase in NAV that the fund(s) may have experienced from the time of my order until the time of its cancellation. In addition, I understand that I may be responsible for any losses that the fund(s) incur as a result of my cancelled order. (Not available for Institutional shares.)

4. REDUCED SALES CHARGES (A-CLASS SHARES ONLY)

See an A-Class shares prospectus for specific sales charge information.

Rights of Accumulation

I own A- or C-Class shares of other Rydex and/or Guggenheim funds, which may entitle this purchase to a reduced sales charge under the provisions in the fund Prospectus. Please provide any existing Guggenheim (A- or C-Class) account number(s) below, and we will reduce your sales charge if you are eligible.

Letter of Intent

In order to qualify for a reduced sales charge, I plan to invest the amount indicated below over a 13-month period. If I do not invest the intended amount within the 13-month period, I understand that the sales charge will be adjusted.

Please check one:

- The aggregate amount I plan to invest in this account will be at least: \$50,000 \$250,000 \$1,000,000
 \$100,000 \$500,000
- I am already investing under an existing Letter of Intent.

Aggregate investments under \$100,000 (\$50,000 for certain funds) will receive the maximum sales charge. See an A-Class shares prospectus for specific sales charge information. Only direct purchases into A-Class and C-Class shares (excluding U.S. Government Money Market) apply toward this Letter of Intent.

5. COST BASIS

Guggenheim has selected Average Cost as the default cost basis method for all funds. This means that unless you specify otherwise, Average Cost will be used to calculate the basis when you redeem shares. The Average Cost method adds together all of the individual purchase costs into an aggregate cost amount. The cost per share is determined by dividing the aggregate cost amount by the total number of fund shares in the account. The basis of redeemed shares can then be determined by multiplying the number of shares redeemed by the cost per share.

If you wish to use Average Cost, no selection is required. Otherwise, select your cost basis method below.

FIFO—First In, First Out

- Shares will be sold in the order they were purchased. Shares purchased on earlier dates will be redeemed before shares purchased on later dates.

LIFO—Last In, First Out

- Shares will be sold in reverse order from when they were purchased. Shares purchased on later dates will be redeemed before shares purchased on earlier dates.

HIFO—Highest (cost) in, First Out

- Shares will be sold according to the cost at which they were purchased. Shares purchased at higher cost will be redeemed before shares purchased at lower cost.

6. BANK INFORMATION (OPTIONAL)

How We Protect Privacy Online

We take steps to protect your privacy when you use our website—GuggenheimInvestments.com—by using secure forms of online communication, including encryption technology, Secure Socket Layer (SSL) protocol, firewalls and user names and passwords. These safeguards vary based on the sensitivity of the information that we collect and store. However, we cannot and do not guarantee that these measures will prevent every unauthorized attempt to access, use, or disclose your information since despite our efforts, no Internet and/or other electronic transmissions can be completely secure. Our web site uses “http cookies”—tiny pieces of information that we ask your browser to store. We use cookies for session management and security features on the Guggenheim Investments web site. We do not use them to pull data from your hard drive, to learn your e-mail address, or to view data in cookies created by other web sites. We will not share the information in our cookies or give others access to it. See the legal information area on our web site for more details about web site security and privacy features.

How We Safeguard Your Personal Information and Data Retention

We restrict access to nonpublic personal information about you to our employees and in some cases to third parties (for example, the service providers described above) as permitted by law. We maintain strict physical, electronic and procedural safeguards that comply with federal standards to guard your nonpublic personal information.

We keep your information for no longer than necessary for the purposes for which it is processed. The length of time for which we retain information depends on the purposes for which we collected and use it and/or as required to comply with applicable laws. Information may persist in copies made for backup and business continuity purposes for additional time.

If you are not a resident of the United States, please be aware that your information may be transferred to, stored and processed in the United States where our servers are located and our databases are operated. The data protection and other laws of the United States and other countries might not be as comprehensive as those in your country.

In such cases, we ensure that a legal basis for such a transfer exists and that adequate protection is provided as required by applicable law, for example, by using standard contractual clauses or by transferring your data to a jurisdiction that has obtained an adequacy finding. Individuals whose data may be transferred on the basis of standard contractual clauses may contact us as described on the right.
